Kapalua Golf Villas, Kapalua, Hawaii

Rarely available! Remodeled Kapalua Golf Villa 2 BR unit has wide ocean view, single level floor plan, and only two steps for access (unlike most 2bd units in the development which have long staircases to enter and leave). This is an end unit with two master suites, each with a private entrance. There are only a handful of units in the entire development, with similar features. Very functional floor plan, large lanai and lots of storage. This unit was remodeled in 2016 by Moku Builders. The Golf Villas are located in the heart of Kapalua resort, only minutes away from renowned beaches of Napili Bay, Kapalua Bay and Oneloa Bay and world class restaurants, historic Honolulu store and delightful Kapalua Florist. Choose from the four swimming pools within the development, with all the necessary amenities to enjoy and entertain.

Built in 1979
