Summit at Kaanapali, Kaanapali, Hawaii

The only active listing in the Summit!  
Spectacular, panoramic ocean view.  
Completely remodeled from floor to beautiful wood herringbone ceiling. The update is an inspired Plantation style, but with a stunning modern look. Travertine flooring throughout the main living area and bathrooms, new beautiful fans, and custom LED lighting throughout the home, all stay within the Plantation theme, and are just a few of the impeccable details. The kitchen has gorgeous Volcano granite counter tops and backsplash. There is a large beautiful custom built island that is the focal point of the kitchen, it has custom cabinetry all around the island for extra convenient storage, and two cooler drawers. Your chef will love the Bosch gas range, 2 ovens, a convection microwave, and a large Sub Zero refrigerator. The dining room and the living room have sliding glass doors to create Maui's best indoor/outdoor living and lead to a spacious lanai. The fabulous master bedroom has a large walk-in closet and the bathroom has been redesigned with a large, soaking tub, Travertine tile on the floor and up part of the wall surrounding the tub, and a large walk-in shower with a custom-built bench. The second master bedroom is en-suite and the property is one of the few in the Summit that has an ohana, which has also been completely remodeled. Enjoy your private driveway, one of only a few in Summit phase I, and the 2.5 car garage to enjoy the golfcart life.
