Residential on 0.25 Acres

Portion/Royal Patent 4999, Hana, Hawaii

This is old Hawaii as you imagined it to be. The charming 3 bedroom 2 bath East Maui home is perched above the ocean, nestled within the treetops of a small tropical jungle, a 10 minute drive from Hana town. This light, bright and airy home boasts vaulted ceilings in the great room lined with large windows. Step out on either one of the 2 large decks into nature, tropical breezes, and enjoy the sounds of the ocean. The warm wood kitchen cabinets compliment granite countertops and multi-purpose kitchen island. Amongst the native plants on property, you will also find a bounty of tropical fruit trees including papaya, banana, lemon, lime and macadamia nut trees. Below the home is an expansive covered lanai which currently functions as a yoga studio. This Hana gem is located between Waioka Pond (aka Venus Pools) and the Pools of Oheo (aka 7 Sacred Pools). The home is near great beaches, waterfalls and a lush jungle. The remote community of Hana is deeply rooted in Hawaiian culture and flows with the spirit of Aloha; sharing the essence of life - peace, kindness, compassion and acting responsibility to future generations. Hana living is perfect for those who are ready to embrace and immerse themselves in this truly unique place.
